Short biography:	<p>I am passionate about providing a positive and stimulating education for all children. I lead a large, successful Year 5/6 team where I enjoy supporting others to excel, progress and succeed. As well as overseeing planning and teaching and learning, I am responsible for staff appraisals, team meetings and assessment. With a degree in Maths, I am extremely enthusiastic about the subject! Being the Maths Lead, I ensure full coverage of the new curriculum across school, track data and monitor teaching and learning. I deliver CPD and have strong links with both local primary and secondary schools. I am also heavily involved with Andrell Education in the delivery of Big Maths training.</p>
