Dear Parents/Carers

Thank you to all who attended our recent Big Maths evening and/or our in class maths sessions. The feedback was extremely positive and the buzz around school was great to see.

Feedback from parents suggested that it would be useful if the clic tests that the children complete weekly could be sent home. This would be an opportunity for parents to see what their children are doing in school and help them with areas of maths where they are less confident.

If you would like to receive your child's clic test please complete the form below and return to your child's class teacher.

Thank you for all your support.

Yours sincerely

Mrs Wynn
