Class:	<b>3B</b>

Dear Parent/Carer

Hot weather precautions:

Water is available via the fountain and on the tables at lunchtime, however if your child prefers to bring their own drink please ensure that they have enough to last for the day. An extra drink for after school clubs is also recommended. Sun hats and caps are a good idea and applying an 'all day' sun cream before school if the weather is particularly hot. In light of recent unpredictable heavy showers, always provide a waterproof coat.

Jewellery/Uniform:

May we remind you that any jewellery that is worn must be silver or gold in colour and earrings should be small studs, not hoops. We have also noticed that some of our older girls are wearing make-up, this is not allowed as part of our uniform. As previously informed, due to hygiene and practical reasons, the new design of summer playsuits are not allowed as part of our uniform either. Finally, school shoes should be plain black with no branding.

Thank you for your co-operation in these matters.

Yours sincerely

Mr A Mills  
Headteacher
