17th November 2016

Dear Parents/Carers

A number of health and safety issues have been drawn to the attention of our school Governors. Please see the following reminders:

Some parents/carers are bringing dogs on to the school grounds when collecting or dropping off their children. This is only permitted if the dogs are carried. Also, although we appreciate that most family pets are harmless, some children can be afraid of them. If you do walk your dogs during the journey to and from school then please stay outside of the school premises and away from the children being released.

Smoking or vaping are not allowed on the school grounds at all.

We are also experiencing a problem with parking. Please do not park on the school car park when you are dropping off or collecting your child. This includes Nursery collection time at 11.30am and for after school clubs. May we also remind you of the voluntary one way system in place before and after school. We also ask that you are considerate to our neighbours and ensure that drive entrances are not blocked.

Some pupils are riding their scooters on school premises, please make sure that once they have arrived at school they are stored in the shelter provided or taken straight home.

I am sure you will agree that the safety and wellbeing of the children is of utmost importance and I would appreciate your co-operation in all of these matters.

Yours sincerely

Mr A Mills
Headteacher
